

"Through shadowing experiences, college coursework, and a consortium of like-minded peers, RMS influenced my captivation with medicine and lit a fire of passion in me to not only become a physician but also to serve as an agent of change."

Torrye Evans
RMS Class of 2015

What Will I Do as a Rural Medical & Science Scholar?

For 2½ weeks this summer, you will—

- make new friends with similar interests and goals.
- get a tour of the University of Mississippi Medical Center and talk with faculty and students.
- take a health science college-level course (Introduction to Health Professions).
- earn certification as a Junior Master Wellness Volunteer.
- participate in practical learning activities such as Telehealth, Injury and Illness (I2) Simulation, Gray for a Day, Scholars in the Kitchen, Scholars in Engineering, and Suturing Techniques and One Health.
- live on campus, **including weekends**, and get a taste of college life.

Do I Qualify? Yes, if you—

- are currently completing your junior year of high school.
- received a minimum composite score of 20 on the ACT.
- have good grades that complement your ACT scores.
- want to learn about a career in health or science.
- are a Mississippi resident.

How Do I Apply?

- Complete the student portion of the application available at extension.msstate.edu/RMS.
- Ask one of your teachers to write a recommendation letter.
- Ask the recommending teacher to forward the application and recommendation to your guidance counselor.
- Your counselor will need to attach ACT scores and an official transcript and mail or email the completed application postmarked by April 1, 2022.

How Much Does It Cost?

\$2,600 (includes \$100 application fee)

- The program cost includes tuition, housing, textbooks, program/workshop materials, food for weekend meals, and the application fee.
- Additional cost information is available at extension.msstate.edu/RMS.

We gratefully acknowledge the Mississippi State University Extension Service, the MSU College of Agriculture and Life Sciences, the Office of the Provost and Executive Vice President, the Office of Rural Health and Primary Care, AIM for CHangE, CREATE/Toyota Wellspring, and CareSource for their support of this program.

Please read the frequently asked questions at extension.msstate.edu/RMS.

Are Scholarships Available?

- Up to 30 scholarships for \$2,500 each are available on a needs basis; first come, first served.
- Accepted scholars must pay the \$100 program application fee to ensure participation.
