

# Mississippi Coastal Cleanup

## *Site Coordinator's Handbook*

Annually since 1988, volunteers just like you have been making a difference by removing tons of marine debris from our Mississippi coastlines. The **Mississippi Coastal Cleanup** is a partnership between the Mississippi State University Extension Service and the Mississippi Marine Debris Task Force. Our purpose is to facilitate cleanup events like this, while also raising awareness of the impacts of marine debris on the environment and providing information on ways we can reduce marine debris.

Marine debris is human-made litter, scattered across the entire ocean, that is swept along by currents and accumulates most noticeably along coastlines. It is estimated that by the year 2050, there will be more plastic weight in the ocean than fish weight. With those huge quantities of marine debris in the oceans, it's easy to see that marine debris poses a threat to us all. Everything—from the environment to the economy, from fishing to human health and safety, from microscopic plankton to

the giant blue whale—is impacted by the abundance of marine debris in the ocean.

The purpose of this handbook is to help guide you through all aspects of the **Mississippi Coastal Cleanup**; refer to it if you have any questions throughout the cleanup. Thank you for volunteering to make a difference. This day is much more than just picking up trash. It's an opportunity for a community to join together and inspire others to help take care of our coastal environments!

### WHAT COASTAL CLEANUP WILL PROVIDE FOR YOUR SITE:

#### Signs/Forms

- 1 sign-in sheet packet
- 1 Mississippi Coastal Cleanup yard sign
- 1 volunteer instruction sign
- 1 recycle drop-off sign
- 1 sponsorship poster

#### Supplies

- 1 roll of tape (to be used for signs)
- 1 five-gallon bucket for sharp objects
- 1 first-aid kit for minor scrapes and cuts
- 1 bottle of hand sanitizer
- Fluorescent flags (to mark hazardous material and entangled animals, live or dead)
- High-visibility Coastal Cleanup T-shirt
- Supplies for volunteers
  - Data cards
  - Pencils
  - Gloves
  - Trash bags
  - Clipboards
  - Lunchcards

## Setup

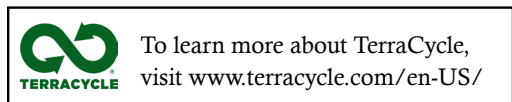

1. Your team should arrive at the site at 7 a.m. to set up.
2. Set up table(s), chairs, and a tent (if needed).
3. Post the following signs or tape to top of table:
  - a. Mississippi Coastal Cleanup yard sign
  - b. Volunteer instruction sign
  - c. Recycle drop-off sign
  - d. Sponsorship poster
4. Set up volunteer supplies (trash bags, data cards/clipboards, pencils, gloves, and lunch cards) for distribution.

## Recycling Coordinator

Mississippi Coastal Cleanup has partnered with TerraCycle™ to recycle plastic collected during the cleanup. This plastic will be recycled and turned into new plastic products. To ensure smooth collection of these recyclables, follow these instructions:

1. Assign a volunteer from your team to be the recycling coordinator. He/she will be stationed by the recycle drop-off sign. The recycle drop-off should have its own area.
2. Recycling coordinators are responsible for collecting all the recycling bags and inspecting collected recyclables to ensure they are the correct type of plastics.
3. Recycling coordinators will also answer any questions volunteers have about trash separation.

Recycle items with numbers 1, 2, 4, 5, and 6.

## Examples of Plastic Items

soda bottles	plastic cups
water bottles	plastic cutlery and plates
mouthwash bottles	plastic lids
cleaner bottles	plastic buckets
laundry detergent bottles	plastic trays

## Sign-in

### SIGN-IN SHEET AND LIABILITY-RELEASE FORMS

- The sign-in sheet also serves as the liability-release form. Please have all adults over 18 sign the sign-in sheet and have a guardian sign for anyone under the age of 18. One person can sign in for an entire group as long as they record the number of individuals in their group.
- Remind all parents that small children must be accompanied by an adult at all times.

### SUPPLIES TO DISTRIBUTE TO EACH VOLUNTEER OR SMALL GROUP AT SIGN-IN:

- 1 data card (Spanish cards are available)
- 1 pencil
- 2 pairs of gloves
- 1 black and 1 white trash bag
- 1 clipboard

### GIFTS TO DISTRIBUTE AFTER VOLUNTEERS HAND IN COMPLETED DATA CARD:

- 1 lunch card (see lunch sites below)

## Instructions for Volunteers

Refer volunteers to the volunteer instruction sign.

1. Volunteers should work in pairs. One should fill out the data card while the other holds the trash bag and picks up debris.
2. Show volunteers how to fill out the data cards.
3. Volunteers will document *their first bag of trash only*.
4. After volunteers document their first bag of trash, they should keep their cards until they finish so they can document the total number of trash bags collected.

## Lunch Sites

Lunches at all sites are from 11 a.m. to 1 p.m. Tickets are required.

## Data Reporting

You are responsible for filling out the Coordinator Data Form summary card to record the results of the data cards collected by the volunteers. Summary cards and sign-in sheets must be returned to the MSU Coastal Research and Extension Center in a timely manner for accurate data reporting.

**Complete all of the information on your summary form, which includes:**

- Number of data cards returned
- Number of white recycling bags filled
- Number of volunteers
- Weight of trash collected
- Number of black trash bags filled
- Total of each debris type

**Send this data to the MSU Coastal Research and Extension Center by November 1.**

**Email is preferred:** [msdebris@gmail.com](mailto:msdebris@gmail.com)

1815 Popp's Ferry Road, Biloxi, MS 39532

## Unused Supplies

**All unused supplies, forms, and completed data and summary cards must be returned to your city or county coordinator immediately following the cleanup.** Please consult with your city or county coordinator to find out where to return these items.
